Subject: Case SCH-W-15-01, Request for Extension for SBWLLC  
Response to Staff Comments

To: Idaho PUC Commissioners

Thank you for the PUC staff comments on our water system. We are diligently reviewing them and would like to respond with our corrections and comments. However, your due date for our response is this Thursday August 27, 2015. We would like to have enough time to research our answers and be as complete and as correct as possible. Could you grant us an extension until Wednesday Sept 2, 2015 at 5:00 pm? Please let us know if this is acceptable.

Thank you for considering our request.
